18TH SEPTEMBER 2026

Love♥Learn♥Live as One

This week, we are focusing on the first and most important part of our school vision: **Love**. At our school, love means ensuring that every child feels **known, valued, safe and cared for**, just as they are. We want our children to learn what it means to show love through kindness, compassion, patience, forgiveness and respect – in the way they speak to one another, the way they include others and the way they respond when things go wrong. We believe that children flourish when they know they belong and when they are surrounded by adults and friends who believe in them. Through our words, actions, relationships and choices, we want love to be something that our children don't just hear about, but **see, feel and live out every day**.

As we reflect on **Love** as part of our school vision, *Love, Learn, Live as One*, I would also like to gently remind us that the values we encourage in our children are just as important within our wider school community. We know that many parents find parent WhatsApp groups a helpful way to communicate and support one another. These groups are set up and managed by parents and are not monitored by the school; however, we would ask everyone to keep our shared value of **Love** in mind when using them. Please be kind and respectful in the way we speak about others and avoid naming or discussing individual children, families or members of staff in a way that could cause hurt or upset. If you have a concern about something that has happened in school, please come and talk to us directly so that we can listen, understand and help.

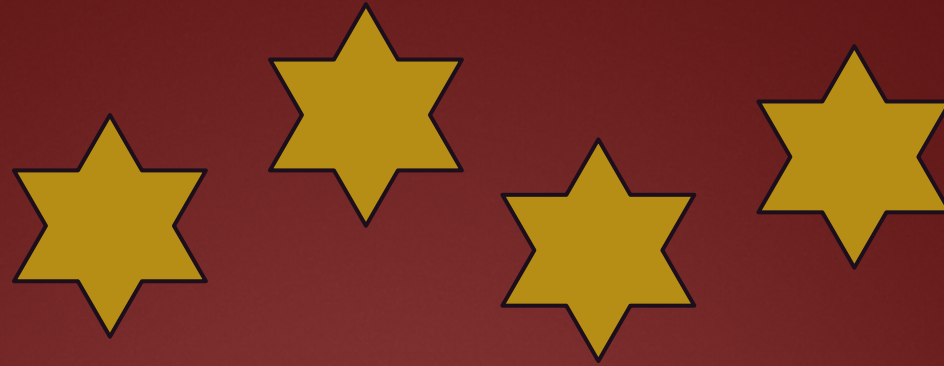

We really value **open, positive communication** between home and school and want parents and carers to feel confident about who to speak to if they have a question, worry or concern. In most cases, your child's **class teacher should be your first point of contact**, as they know your child and their day-to-day experiences best. If the matter cannot be resolved at this level, or you feel it needs further support, it can then be raised with the **Deputy Headteacher or Headteacher**, as appropriate. For safeguarding or particularly sensitive concerns, please contact the school office so that these can be directed to the right person promptly.

As we come to the end of another busy week, I would like to say a heartfelt **thank you** to all our children, families and staff for everything you bring to our school community. It is the small acts of kindness, encouraging words, smiles at the gate and willingness to support one another that make our school such a special place to belong. I hope you all have a lovely, restful weekend, and we look forward to welcoming everyone back on Monday.

Many Thanks

Mrs Geddis
