25TH SEPTEMBER 2026

Love♥Learn♥Live as One

Dear Parents,

🌟 Celebrating Positive Behaviour 🌟

At our school, we believe that noticing and celebrating positive behaviour helps to create a happy, calm and purposeful environment where every child can learn and thrive.

Our approach is influenced by the work of **Paul Dix** and is built around calm, consistent expectations and positive relationships. Our three simple expectations are:

Ready • Respectful • Responsible

Throughout the school day, children can earn **Positivity Points** when adults notice them demonstrating these expectations. This might be for being ready to learn, showing kindness and respect, persevering with something difficult, helping someone else, taking responsibility or making a particularly positive contribution to school life. Rather than children collecting points individually, **Positivity Points are added to a class total**. The children work together towards their shared goal, and when they reach their target, the whole class enjoys a **small class prize or reward**. This helps children recognise that everyone can contribute positively to their class community and encourages them to celebrate one another's successes.

We also use **Positivity Notes** to recognise those special moments that deserve to be shared at home. A note might come home when a member of staff has noticed a child making a great choice, showing one of our expectations particularly well or simply doing something that has made us proud.

An important part of our approach is noticing the **small things**. Looking after equipment, tidying a workspace, holding a door for someone, listening carefully or helping a friend may seem like little actions, but together they build a culture of respect, responsibility and readiness to learn.

By noticing what children are doing well and being consistent in our expectations, we want every child to understand that their positive choices matter.

Little choices, noticed every day, help to build a positive school community.

Kind regards

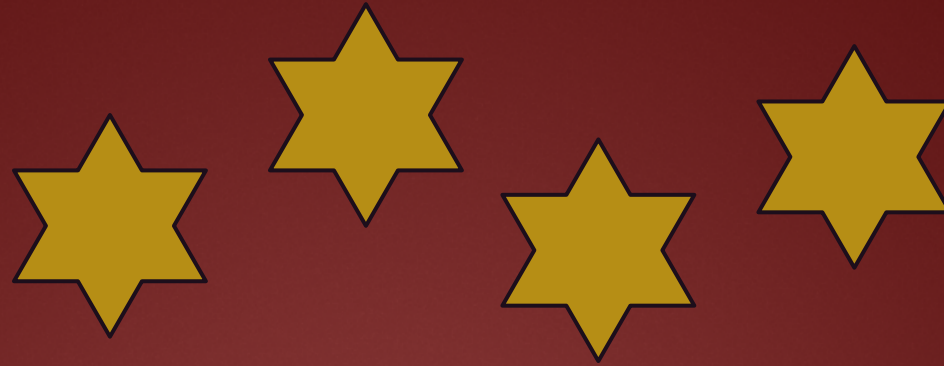

Mrs Geddis and Mrs Thomas

Advance Notice

Mr Maddox will be coming into school to take school photographs on the morning of the 6th of October.

Maple Class will be going to the field for Geography on Monday so children will need their wellington boots in school please.

Awards

Recognition

Alex Windsor for working hard in lessons

Ruby for extra effort in maths and challenging herself

Ready Respectful and Responsible

Haven for always being ready to learn and good listening

Zac for working hard in phonics

Attendance Maple 90% Sycamore 100%

Friends of the School - News

Welcome Back to a New School Term! 🍎

We hope everyone had a wonderful summer holiday, although it already feels like a distant memory!

A very warm welcome to our new teachers and families. We hope you are all settling in well and looking forward to the year ahead. As some of our families have now moved on from the school, we feel this is the perfect opportunity to refresh our Friends of School group and begin a positive new chapter together. We may be a small school, but we are mighty! Every family is special, and by working together, we can make a real difference to our children's school experience. We would love to welcome some new faces to our Friends group. Whether you have lots of time to offer or just a little, every contribution is valued and appreciated.

Getting involved doesn't have to mean taking on a formal role or making a big commitment. It could be as simple as attending a few meetings throughout the school year, helping to organise an event, baking a cake, sharing a fundraising idea or lending a hand for half an hour when you can. We understand that family life is busy, and there is absolutely no pressure to commit to more than you feel able to give. Every little bit of help goes a long way towards raising funds, creating wonderful experiences and providing extra opportunities for our children. Together, we can make this a fantastic year for our school!

We would love to see some new faces, hear fresh ideas and welcome anyone who would like to be part of our Friends of School community. After all, it's not about how much time you can give; it's about what we can achieve together. ❤️

Kind Regards, Friends of School

Y5 and Y6 Football Trip

Congratulations to the Y5 and Y6 children who represented the school at the football in Church Stretton on Wednesday. The girls team came 4th and are through to the County Competition and the boys played extremely well against stiff competition. A good time was had by all.

Reading

2026 - The Year of Reading

Every Child Is a Reader

- ▶ **Week 20 – Reflecting on Reading Growth**
- ▶ Children grow as readers in different ways.
- ▶ **At home:** Talk about how reading has changed since the start of the year.
- ▶ **Recommended read:** *Song of the River* — meaningful themes.
