2ND OCTOBER 2026

Love♥Learn♥Live as One

Dear Parents and Carers,

I am very proud of all the achievements of our pupils this week. Their hard work, positive attitudes and commitment to learning continue to contribute to the life of our school. It has been particularly pleasing to see pupils taking responsibility for their learning and participating positively in the wider opportunities available to them.

I would also like to recognise the pupils who attended the sport events and represented our school so well. They demonstrated teamwork, respect and determination, both during the events and in their conduct as representatives of our school community. Please take the time to read the reports written by Mr Arthur and Mrs Chambers, which provide further details about these events and the pupils' participation.

Thank you for supporting our uniform policy. The vast majority of pupils are looking very smart, and this helps so much with our sense of belonging. When pupils wear their uniform correctly and take pride in their appearance, it strengthens our shared identity and reinforces the expectations that help our school community to work effectively. Your continued support in this area is greatly appreciated.

The dates for our parents' evenings and harvest services have now been added to our list of dates. These events provide valuable opportunities for us to work in partnership, share information and celebrate the progress and achievements of our pupils. It would be great to see as many of you as possible at these important occasions, so please make a note of the dates and plan to attend where you can.

Important Changes to Morning Drop-Off Arrangements

We are introducing a new way of dropping off children in the mornings. To keep our children safe, parents should not come into school due to safeguarding protocols. If your child attends breakfast club, please use the side door to drop them off. There will be a door bell for you to ring, and a member of staff will come to collect your child and accompany them into school. Please do not enter the building when using this arrangement. Nursery children who are not in breakfast club can be dropped off at the external nursery door. This will enable nursery staff to receive children directly and will support a clear separation between the different morning drop-off arrangements. We ask all families to follow these procedures consistently and to ensure that children are handed over only at the appropriate entrance. Staff will be available to provide support and guidance where necessary, while maintaining the safeguarding protocols that apply across the school. Thank you for your cooperation and for helping us to ensure that arrivals and collections are organised, secure and suitable for all children.

Thank you also to all parents and carers for supporting us with picking children up from the back of school. Please come right on to the playground when collecting your child, as this helps us to manage the end-of-day arrangements safely and efficiently.

With love,

Mrs Geddis

Parents Evening is on the 20th and 21st of October and booking is through Arbor and opens today at 3.30pm. If you have any problems booking, please contact the office and we will be happy to help.

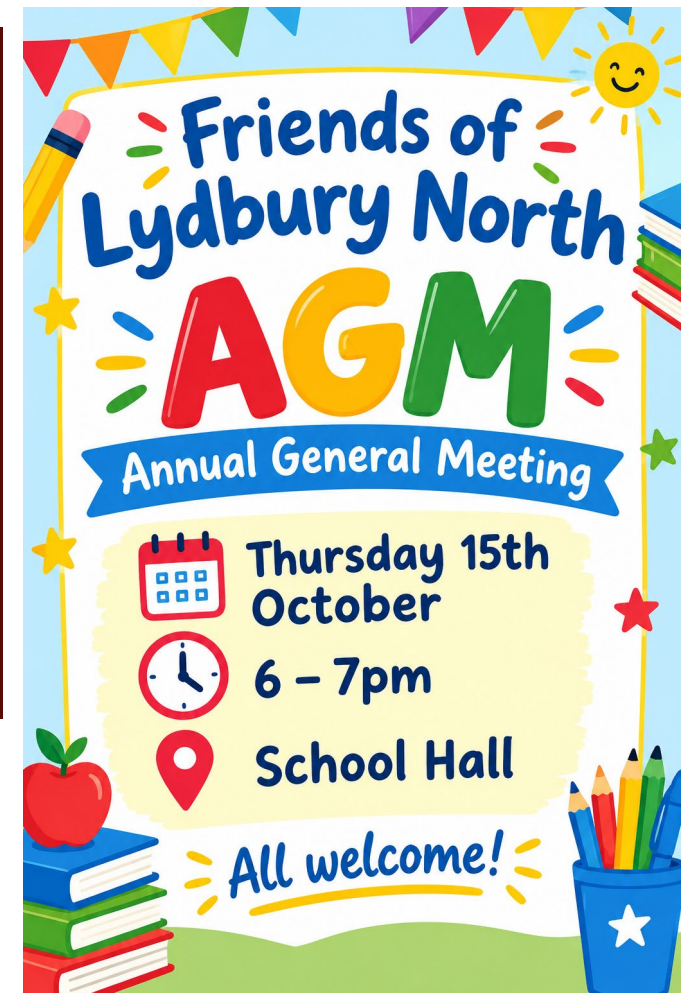

Maple Class will be walking up to Walcot on Monday and Tuesday as part of their lessons. Please can they bring their wellington boots and forest school outdoor clothing on both days. Please ensure they have their school uniform/school shoes to change back into.

Over the past 2 weeks, both Onny and Lydbury North children have participated in a number of events. Firstly, lots of Y5/6 children then Y3/4 children took part in a football competition at Church Stretton secondary. Our boys did amazingly in both events, scoring some great goals and our 2 keepers making some amazing saves against really good opposition. Our girls in Y 3/4 did so well and represented the school with great sportsmanship, and for many it was their first time playing football. Girls at 5/6 level were incredible, getting to the county finals in February - we are so proud of you

On Tuesday, children from years 3 and 4 attended a cross-country event at Cardingmill Valley. The children's behaviour was excellent, and their sportsmanship shone through in all that they did. They showed perseverance around a tricky course, even needing to use a rope to help them get up one part as it was so steep. Well done Years 3 and 4!

Well done to Alex and Noah who completed their training to become Bronze Ambassadors in Sport this week at St Georges.

School photographer will be in school on Tuesday Morning.

Change of Time! Please do come along and join us for Celebration Assembly, every Friday at **3.00pm**. If your child is receiving an award these will be given out on this day and its lovely for them to share this special moment with family.
